MONTHLY NEWSLETTER

ISSUE NO 167 | OCTOBER - 2022

Kitchen News: Cooler fall weather brings about a change in our menu with the addition of more soups and flavors. Apple and pumpkin are great Autumn flavors that are being added to our menus. We welcome to our kitchen team Brook Pease who has been with us for a few weeks and our newest kitchen staff member is Annetta Yaklin. They will help any way they can and we can always count on our “veteran” staff of Jennifer, Oma and Betsy.

We celebrated Olivia and her upcoming baby with a nice baby shower!

We have been busy as usual here at Union Court. Our frog visitors made an appearance just before the weather became cooler. We finished our memorial to our sewer Evelyn and many residents made owl collages that can be seen on the hallway wall.

## Resident of the Month: Caroline Scanlon

Caroline was born and raised in Owosso, Michigan with one sister and three brothers. She graduated from Owosso High School. Caroline married Maurice Scanlon and they raised their four boys; Wayne, William, Bruce and George, on a country farm in the Owosso area. When the boys were old enough to fend for themselves, Caroline went to work at the new branch of the Owosso Post Office. She was the first ever female employee there and times were tough but she stood her ground and grew to love her job. Caroline retired from the postal service after 22 years. Caroline and her family loved to travel and go fishing and camping (in the camper that Maurice built). Caroline enjoys going to the casino. The first time she won she thought she broke the slot machine when all the bells and lights started going off! The other true passion for Caroline is crocheting. Her mother began teaching her how to chain stitch when Caroline was about three years old. Today you can find Caroline relaxed in her chair with her hook and yarn. If not there then she may be out to the casino again with one of her sons. Caroline has many friends here at Union Court and we are glad she is a part of our family!
