Resident of the Month: Mary Ellen Hoover

Mary Ellen (Schoch) Hoover was born in Chesaning. She graduated from Our Lady of Perpetual Help High School. While in high school she met the love of her life, Everette (Jerry) Hoover, and they married in July, 1951. They have five children: Karen, Eileen (Randy) Stoddard, Patrick (Tracy), Mike (Laura) and Leverette (Jackie); ten grandchildren, and six plus great grandchildren. Five great grandchildren are expected in 2023 : 3 boys, 1 girl and one sex not yet known!

Mary Ellen retired from Universal Electric in Owosso . After retirement, she and Jerry loved to travel (probably one of their most memorable was to Hawaii, or was it their 25th wedding anniversary trip to San Diego, or then again several to Alaska). Spending summers at the family cabin, they enjoyed having the grandchildren, family and friends visit them . All who visited knew that there was always plenty to eat and treats to go home with them.

Mary Ellen’s main hobby was taking pictures and she loved making copies to give to those she’d taken pictures of. She loved to bake and never went to a family gathering without taking something good to eat. She LOVED to shop! Her daughters remember that as young girls they went to Saginaw every month with her and Grandma Schoch. Throughout the years, if she heard either of her girls planned to go mall shopping she wanted to go, too...”I’ll buy lunch” was always in the bargaining deal!

She and Jerry did most everything together. They were very active in their church, were members of American Legion and enjoyed working at the Legion food booth during Showboat week. Heck, she started going deer hunting with Jerry when she was in her 70’s. They had a nice heated hunting shack and she took a book to read (and plenty of snacks for them both). Congratulations, Mary Ellen! We are glad you are a part of our Union Court family.
