In Loving Memory

This month we are remembering those residents that have passed in the last year. Remembering how each of these special people have touched our lives often brings tears and laughter. Families bring their loved ones here to Union Court to have us care for them and they become our family, too. We laugh, cry, spend quiet and faith-filled time with them. We love them. We feel a void when a member of the Union Court family passes. We hope and pray that we have made a difference in their journey from the day we first met to the final journey home.

Employee Service Excellence Recipient of the Month:

Becky Stewart

We congratulate Becky on being the November staff of the month! Becky was born and raised in Bridgeport. She met her husband, Scott, in St. Charles and she followed him to Europe when he joined the service. There she worked for the military and traveled around Europe. Together they have 3 sons and a self-made farm where they raise many chickens, geese, cats and dogs. After spending 25 years in the healthcare industry, Becky came to us here at Union Court. Becky loves each resident and treats them with kindness and respect and her humor is infectious. We appreciate all you do, Becky, and are blessed to have you here at Union Court!!
