In Loving Memory

This month we are remembering those residents that have passed in the last year. Remembering how each of these special people have touched our lives often brings tears and laughter. Families bring their loved ones here to Union Court to have us care for them and they become our family, too. We laugh, cry, spend quiet and faith-filled time with them. We love them. We feel a void when a member of the Union Court family passes. We hope and pray that we have made a difference in their journey from the day we first met to the final journey home.

Employee Service Excellence Recipient of the Month:

Madison Steele

“I have just recently graduated this year and started my first year of college. I am currently going to Delta to study nursing. My goal is to become a nurse practitioner. I would like to dual enroll with SVSU after my second year to get my BSN while attending clinicals. I LOVE to shop, play with my dogs, and spend time with my family. I have one older brother and two younger brothers. I have been working at Union Court for about 2 years now. I love all the residents and staff and the positive environment. “ Madison, we appreciate your hard work and dedication. Staff says...”she is very respectful and excellent at handling every situation...always has a positive attitude...residents love her...she is caring and goes above to make sure residents are happy and cared for.” Congratulations, Madison, and well deserved!
